

Earthquake Relief to Haiti

LOTT CAREY, NATIONAL BAPTIST CONVENTION OF AMERICA AND FRIEND SHIPS ARE LOADING A DISASTER RESPONSE SHIP TO BRING EARTHQUAKE RELIEF TO HAITI

Friend Ships will be delivering food, water, shelter materials, clothing and medical supplies to the earthquake ravaged nation of Haiti. Our ship Integrity will sail very soon. We will also carry several mobile medical "Super Clinics" in order to provide medical aid and take our helicopter to assist operations; the ship will serve as a home base with housing and meal service for a team of relief personnel. See <http://www.friendships.org/Disaster&Relief.html>.

To provide supplies, please pack a box with any of the items below, and send it to:

B.J. Maxon Church Resource Center

Here is how to make donations of items needed.

- Before starting a collections of goods to send to B.J. Maxon Church Resource Center for Friend Ships, please do the following.
- Make sure items are Well Packed and Labeled.
- It is more efficient when items are sent properly sorted, clearly labeled and ready for distribution.
- Make a specific content list. It should be taped to the outside of each box you are sending. This allows contents to get to the proper distribution location in a timely manner. Please try to pack related items together to prevent further sorting.
- Food items - canned or dry goods, when needed, should be boxed separate from other items. No perishable foods.
